

Benefits at Work

Manual APP

1. Install the app & link your account

Download the corporate benefits app from the Google Play Store or the Apple iOS App Store.

Link your Benefits at Work profile to the app. Enter your platform name "Daikin" or scan the QR-code:

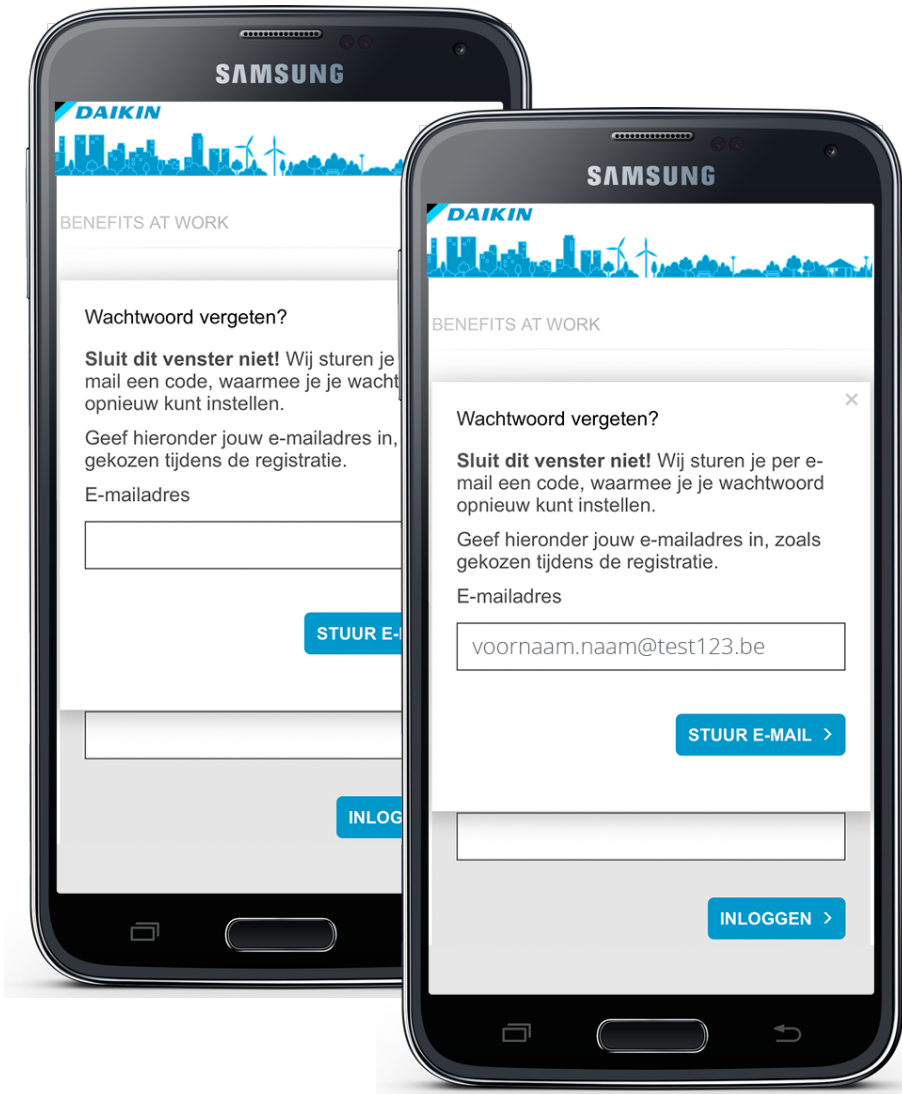

2. Set Password

The first time you use the app, you need to set a password via "Forgot password". You can then use this password to log in to the app.

Click on "Forgot your password?" at the bottom of the login screen.

3. Please enter your email address

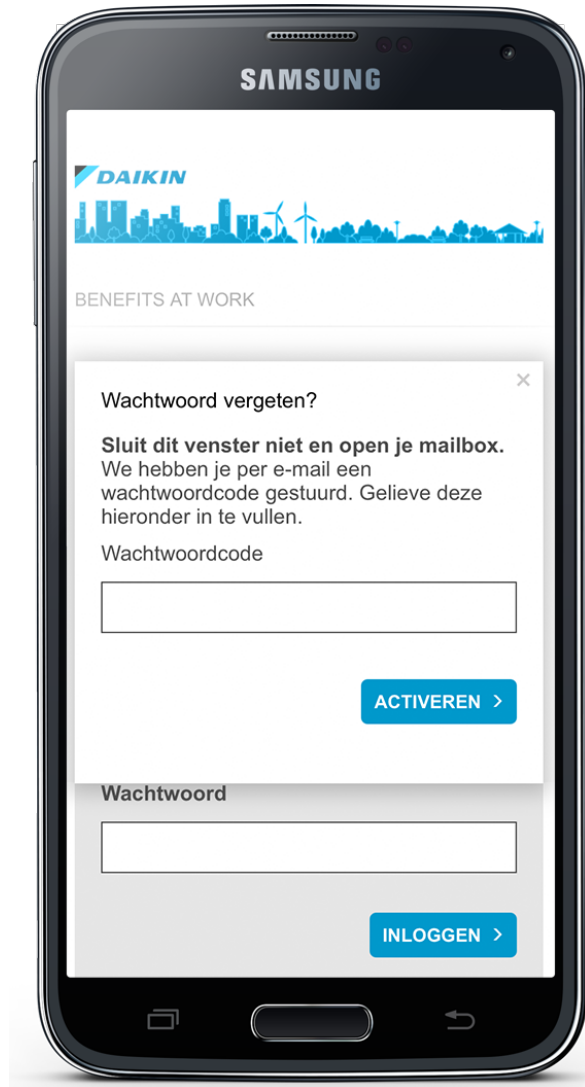

In the "e-mail address" field, enter the e-mail address of your Benefits at Work account. Then click on "Send e-mail".

Not yet registered on Benefits at Work? Then first create an account via daikin.benefitsatwork.be.

Remark: Do not close the pop-up window!

4. Password code

After entering your e-mail address, you will receive a message that a password code has been sent to the e-mail address you entered. Go to your mailbox to open the mail with the password code.

Did you not receive an e-mail? Be sure to check your spam box or unwanted emails.

Remark: Do not close the pop-up window!

5. Retrieve password in e-mail
